## Standardized Testing

If you have taken or will take any of the standardized tests listed below, please indicate your scores and the dates of the exams. You must request that the testing agencies send Yale the official scores by February 20th at the latest. The SAT and the ACT are not required, but if you have taken these exams already, your results will aid the Admissions Committee in reviewing your Y-VISP application. It is strongly recommended that students who have not been taught primarily in the medium of English in the last two years submit results from English language proficiency exams such as the TOEFL, IELTS or the PTE. Again, you must request that the testing agencies send Yale official scores. Please note that the TOEFL organization does not keep test results for more than 2 years. If you have scores from TOEFL exams taken more than 2 years ago, you should still indicate your TOEFL scores below.

Please attach to this form your responses to the following questions (between 300–500 words each):

1. What are your personal and academic goals, and how will Y-VISP help you attain these goals? Also, if admitted to Y-VISP, and knowing that Yale places great importance on the quality of student life outside of the classroom, how would you hope to engage the Yale community beyond academics during your time on the Yale campus?
  2. Please choose ONE of the following topics for your second brief essay:
    - Write about an aspect of your upbringing, history, personal story or background so integral to who you are you believe your application would be incomplete without sharing it.
    - Write about a book, play, movie, piece of art - *anything* in literature or arts, classic or contemporary - that has affected the way you think.
-
