

ShanghaiTech students who are in good standing are invited to consider Study Abroad opportunities in the College of Literature, Science and the Arts at the [University of Michigan](#). Students will normally attend during the Fall semester (September-December), the Winter Semester (January-April) or both. In rare cases, may wish to consider attending during the accelerated Summer semester (July-August). Prospective students should start by consulting the on-line catalog for courses of interest.

The link below gives courses for:
